

THEMED TRIVIA

THEMED TRIVIA CREATES BUZZ, BOOSTS REVENUE, AND TURNS A QUIET NIGHT INTO A PACKED, HIGH-ENERGY EVENT!

Familiar, pop-culture themes are easy to market and highly shareable on social media, helping you reach new customers beyond your regulars. Because players plan ahead, Theme Trivia often see larger group bookings, earlier arrivals, and longer stays — meaning more food and beverage sales across the night.

Ultimately, when you book Themed Trivia, you're not just filling seats; you're building loyal customers who associate your venue with great nights out and unforgettable fun!

Our Themed Trivias are specially written and produced so that even players who have only seen the content once, should be able to answer many questions and be able to engage positively with the evening. Don't worry! We always include some tricky ones too for those absolute die-hard fans!

STANDARD PRICE: \$500+GST*

*If you have over 18 teams attending, an additional marker will be required to help assist and ensure the smooth and timely run of the evening. This is at an additional cost of \$150+GST.

THEMED TRIVIA INCLUDES:
